## Take a moment to remember.

The people on this page garnered friends who so loved them that gifts were made in their memory.

Already the memorial contributions made by people listed here are creating legacies: compassionate care through Memorial Hospice, treatment innovations and longer lives through North Star Lodge, smiling faces alight with hope at Children's Village.

Your Memorial Foundation gratefully acknowledges the thoughtful generosity and love on this page— and on all the pages throughout the year where extraordinary lives are remembered and celebrated through acts of philanthropy.
